*The Milford Lions Club is part of the largest service organization in the world, with 46,000 clubs, 1.35 million members representing 207 countries. The Lions are present in hospitals, senior centers, regions hit by natural disasters, eyeglass recycling and schools. We are there volunteering, leading, sharing and supporting both locally in our communities, and nationally. Lions support health programs which focus on sight, like vision screening and eye banks. Wherever Lions Clubs get together we help make problems smaller and our communities better with unmatched integrity and energy.*

*This year all proceeds will be donated to the following volunteer emergency responders serving our area:*
